

Manufacturing Engineer 1

Deere-Hitachi Construction Machinery Corporation in Kernersville, NC, is a premier DFT and ISO 9001-certified employer in the triad area. Located in a state-of-the-art facility, we manufacture 12-47 metric ton hydraulic excavators. Deere-Hitachi is looking for a Manufacturing Engineer I. The successful candidate will be responsible for developing and managing the manufacturing tooling and fixtures for the assigned area of responsibility. The candidate could be engaged in all aspects of providing engineering support to all manufacturing operations.

A successful candidate should meet the following requirements:

- B.S. degree in an Engineering with limited or no experience (Mechanical Engineering degree preferred)
- Strong computer skills in Microsoft Office (Word, Excel, PowerPoint) required
- Working knowledge of 2D and 3D CAD software.

Deere-Hitachi offers highly competitive compensation and outstanding benefits (including medical and dental insurance, an educational tuition assistance program and a 401(k) plan). Deere-Hitachi is a drug-free/safe work environment and affirmative action employer. Apply on-line at www.dhkernersville.com
